THE STATE FAIR.

THE ATTRACTIONS OFFERED-A FINE EXHIBI-TION PROMISED; SO SAYS PROGRAMME-MEETING OF THE STATE AGRICULTURAL SO-CIETY, &C., &C.

The annual exhibition of the Virginia State Agricultural Society opened at the Fair Grounds yesterday. The attendance was small. This is always to be expected on the first day. In addition to the want of interest generally felt in the first day's exhibition, the circus yesterday drew off many who otherwise would have attended. The Fair is equally as good, but not better, than that of previous years.

In the main exhibition hall will be found many winds, rising preceded by lower barrance.
